Re: Temporary Shutdown at the City of Caldwell POTW

Dear Mr. Craft,

This purpose of this letter is notify IDEQ of a temporary shutdown at the City of Caldwell Wastewater Treatment Plant. The shutdown was planned in advance for the purpose of preparing for a tie-in to connect our new filter building with our existing treatment system. Flow was redirected to an empty clarifier and two empty aeration basins during the shutdown. The shutdown began at approximately 06:00 AM on March 13, 2019, and ended at 3:30 PM on March 13, 2019, at which point normal operations including treated effluent flow to the Boise River resumed.

Please feel free to contact us if you have any questions regarding the shutdown. Thank you for your time and attention to this matter.

Sincerely,

Salvador Arreola
Wastewater Superintendent
