today at: [www.cityofcaldwell.org/live/
caldwell-cares](http://www.cityofcaldwell.org/live/caldwell-cares).

Caldwell Cares

The City of Caldwell is committed to continuing the Caldwell Cares program, providing assistance with water bill payments to customers in need. Caldwell Cares is funded through the generous donations of Caldwell residents. We have partnered with The Salvation Army to assist the residents of Caldwell with their water bills. The City collects donations from caring customers like yourself, and will apply the available funds to qualified recipients' water bills. Caldwell Cares funds are available year-round as funds are available. Your donation to Caldwell Cares is tax deductible and will go a long way to help Caldwell residents in need. If you are interested in donating to the program, please complete and return the form on the right. The amount you wish to donate will be added to your next month's water bill. To make a one-time donation today, visit our website: www.cityofcaldwell.org/live/CaldwellCares. The City of Caldwell and The Salvation Army thank you for your generosity!

Residents of Caldwell may apply at The Salvation Army office to see if they qualify for assistance. In determining who shall receive a portion of the limited assistance available, the Salvation Army shall place special consideration upon those applicants who demonstrate any of the following factors.

- Households that include persons aged 65 or older and/ or children under the age of 18.
- Households that include handicapped or disabled persons.
- Hardship cases, including, but not limited to:
 - Involuntary unemployment
 - Medical Crisis
 - Other family crisis such as death, desertion, or Imprisonment
