Date: 4/28/22

FOR IMMEDIATE RELEASE

CALDWELL – Preparations beginning on May 1 until June 30, 2022. The Caldwell Street Department will be performing street maintenance, such as sweeping, flushing, patching and seal coating. Seal coating will begin May 31, 2022. Major roads affected will be Ustick- Boulevard to Kimball, Lake- Boulevard to Kimball, Indiana- Cleveland to Laster, Montana- Ustick to Laster and finally 10th- Ustick to Laster. All subdivisions and paved roads within the borders of Indiana, East to Lake and Cleveland, South to Laster will be included. Finally, any paved roads within the border of Ustick, South to Laster and Indiana, West to Cumberland Estates will be chip sealed.

Please watch for trucks, rollers, other heavy equipment and flagging personnel directing traffic. “No Parking” signs will be posted on streets to be seal coated up to 2 days prior. All vehicles and all inoperative vehicles, boats, trailers, basketball hoops, trash cans, etc. must be removed from the street as soon as possible when the “No Parking” signs are posted. If not removed from the street, they will be towed at owner’s expense. For further information regarding street maintenance, please contact the Caldwell Street Department at 455-3072.
