**FOR IMMEDIATE RELEASE**

CALDWELL – After a two year absence, it is time for the Caldwell Youth Forum, hosted by The College of Idaho and scheduled for Wednesday, September 14<sup>th</sup> on The College of Idaho campus. We are looking forward to having students from Caldwell High School, Ridgevue High School, and Elevate Academy join together to celebrate an exchange of ideas, ideals, and forward thinking to further advance established initiatives pertaining to campus culture.

As a component of the Caldwell Youth Master Plan, the Caldwell Youth Forum seeks to provide resources for our students to help them create a learning environment in which they have elements of ownership and responsibility. Together, as a community of learning, we can reach the outcomes our students deserve.

Congratulations to the 60 students who have been selected to attend this year’s Forum. They are the recognized leaders in their schools and will have the responsibility to share what they have learned from the Forum with their peers.
