CALDWELL POLICE DEPARTMENT PRESS RELEASE

DATE: January 30, 2023

On January 30, just after 3 p.m., Caldwell Police officers were dispatched to a convenience store in the 500 block of East Ustick Road for an armed robbery. Upon their arrival, the officers observed a man matching the description of the suspect and subsequently detained him without incident or force.

The suspect, identified as 40 year-old Scott Foster, had attempted to steal alcoholic beverages and was confronted by the store clerk. Foster then brandished a loaded firearm and stated, “you don’t want trouble,” as he walked out of the store with the stolen items.

When the officers detained Foster, he was in possession of a loaded firearm and the stolen items. He was arrested and charged with robbery, carrying a concealed weapon while under the influence, possession of a controlled substance and possession of drug paraphernalia.

“We will not tolerate this type of blatant criminal activity in our city. If you think you can come to our town and pull a gun on a person trying to do their job, we will do everything in our power to ensure the last time you see your gun is when we take it from you and book it into evidence,” said Rex Ingram, Caldwell Chief of Police.
