

ROUNDABOUT REMINDERS

Single-lane Roundabout

1 Slow down

2 Look left

Yield to pedestrians and traffic already in the roundabout. Once you see a gap in traffic, enter the roundabout and proceed to your exit.

Large Vehicles

Use the center Truck Apron for extra space.

Pedestrians

Use crosswalks if available. Never cross onto the center island.

Cyclists

Take the lane or dismount and walk.

3 Travel to your exit

Don't stop or pass.

ROUNDABOUT REMINDERS

Multi-lane Roundabout

1 Follow the same guidelines as single-lane roundabouts.

2 Choose the lane you need to travel in based on the exit you want to take.
