

Improved Trash Service

What's Changing

- › Starting October 2023, smaller trash cart sizes are now offered with a smaller monthly fee.
- › Starting April 1, 2024, customers will be required to put all waste in Republic Services trash carts. Additional trash carts can be ordered for a small monthly fee.
- › Senior and Veteran Discounts
Caldwell offers a discounted monthly fee to seniors (65 years old and older) and to those who have veteran status. To sign up for a senior or veteran discount, call **208.455.3000, ext. 1**.

What's Not Changing

- › Residents will keep their current trash cart, unless a different sized cart is ordered.
- › Spring Cleanup (free bulk item and non-Freon® appliance removal and unlimited trash in cans) will continue for all residential customers.

New This Fall: Leaf Recycling Site

- › Residents are welcome to compost their leaves for free.
- › Leaves must be in compostable paper leaf bags or placed inside the dumpster loose.
- › No plastic bags or other waste.
- › The site is located on the corner of 21st Street and Stocktrail Road. It will be available from November 1, 2023, through November 30, 2023.

New Cart Size Options

(See order form on the back of your utility bill)

- › 95-gallon trash cart
- › 65-gallon trash cart
- › 48-gallon trash cart
- › Add additional carts for a small monthly fee.
- › If you already have a smaller trash cart, you will automatically receive the lower rate.
- › No changes of cart sizes will be allowed during the month of April 2024.
- › After April 30, 2024, residents may request a different cart size. Cart exchange fees may apply.

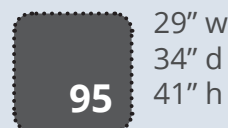

Cart Ordering Information

- › There is no need to order carts if you would like to keep your current trash cart size.
- › To order the 65-gallon or 48-gallon size cart, please choose one of the following options:
 1. Call **208.455.3000, ext. 1**
 2. Fill out the order form on the back of your utility bill, and mail it with your payment to:
