Business Permit Narrative Information

Business name: A-Z Appliance Repair

Business address: 8675 309th Street Suite J, Caldwell ID 83607

Prior business use: The building was used as a printing shop.

Proposed business use: The building will be used as a small appliance repair shop.

Anticipated start date: July 1, 2024

Proposed days and hours of operation: 9am – 5pm Monday-Saturday

Existing parking: There are 6 parking spots and one handicap spot.

Additional employees: There will be one additional employee at this time.

Additional contact, other than owner: Thomas Tutone, 555-888-1212

What is the scope of the work being done: As a skilled repair technician, I will be conducting maintenance on small home appliances. We will house customer items while we complete the jobs we contract. When completed, the customer's items will be picked up by them or delivered by our additional employee. We will also be repairing gifted appliances to donate to groups in need due to life circumstances.
